

Position Available:

Shipper / Receiver

We are seeking an individual with excellent work ethics and skills to join our team.

GPR Industries Ltd. requires an experienced, knowledgeable, motivated and career-minded Shipper/Receiver to ensure the seamless processing of outgoing shipments and incoming items.

The Shipper/Receiver must understand the impact of this position to other business functions that depend on the accuracy and efficiency of outgoing items. Inventory management and vendor relations with shipping companies are essential functions for this position.

GPR Industries Ltd. has operated successfully in the Peace Region for over 40 years and is an ISO 9001-2008, C.O.R., C.S.A. certified company that values its' employees and their families.

GPR Industries Ltd. offers a competitive salary and benefits package, an incredible work environment with really great co-workers, and career advancement opportunities.

Pre-employment drug and alcohol analysis is in effect.
